OCTOBER NEWSLETTER

VOLUME 2, ISSUE 10, 2026

NO TRICKS, JUST HEARTFELT THANKS

Recently, a gesture from a patient's family touched my heart more deeply than words can express. They came to town to visit him and made it a point to stop by my office to thank me for saving his life.

It's moments like these that remind us. Behind every diagnosis is a person, a family, and a lifetime of memories.

To see my patient surrounded by the people who love him, and to know I played a small part in keeping a beautiful family together, is a privilege beyond measure.

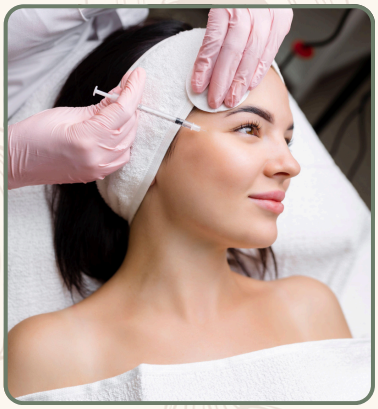

This is the greatest reward of being a physician. Not the accolades or achievements, but the lives we touch. Thank you for reminding me why I do what I do.
